

## SPRING 2020 APPLICATION

Opportunity Jobs Academy (OJA) showcases workplace skills, real-world education, and hands-on mentoring to guide students towards fulfilling careers and financial independence. The 10-week training course will meet two times a week after school **beginning the week of February 2, 2020**. The current curriculum is produced in partnership with the American Hotel & Lodging Educational Foundation (AHLEF) and the Orlando After-School All-Stars (ASAS). Students will receive an OJA Training Certification and have the opportunity to earn the Certified Guest Service Professional (CGSP®) certification – recognized as the highest acknowledgment of award-winning guest service for employees in the lodging industry. Our ideal participant is seeking career exposure and guidance, and to develop the skills needed for full-time employment both as a student and beyond.

**Application is due January 21, 2020. Submit application to the Guidance Office.**
